IMPORTANT ATTS NOTES FOR PARTICIPANTS IN THE TEMPERAMENT EVALUATION PROGRAM

1. The ATTS Temperament Evaluation measures the dog's strength of response to arrive at the temperament baseline.
2. Dogs of at least 18 months of age, either pure-bred or neutered or spayed mixed-breeds, are eligible to participate. Non-neutered and non-spayed mixed-breeds may also participate but will not receive a certificate or a Temperament Title.
3. Owners of eligible dogs, which pass the test requirements and are officially verified by ATTS, will be awarded an ATTS Temperament Title Certificate showing the dog's TT number with breed designation. This title may be listed after the dog's name.
4. The combined findings of the Chief Tester and the two Testers at the test are binding and final.
5. To promote uninfluenced, fair and uniform testing of all dogs, only one dog and one handler will be allowed in the test area during testing. Those who do not adhere to the ATTS Chief Tester's instructions may be denied participation without refund or may risk having their evaluation process canceled without refund.
6. In compliance with changes in ATTS regulations, male dogs and bitches are no longer required to be tested separately, but will be followed by bitches in season. Bitches in season should not be in or near the testing area prior to being tested.
7. Taking photos/videos is encouraged but must not interfere with the testing.
8. Smoking and consumption of alcoholic beverages are prohibited in the testing area.
9. Dogs deemed unacceptable for testing for reasons of temperament (uncontrollable, overly aggressive, extremely fearful, etc.), health, poor appearance, handicap or advanced pregnancy may not participate.
10. A dog failing one or more of the ten subtests is considered as failing the evaluation. A subtest is failed when a dog shows unprovoked aggression, obvious avoidance, or panic without recovery; the test may be terminated immediately without refund. A dog may be retested after a five-month waiting period (full entry fee required).
